CAREER OBJECTIVE

Active and productive pursuit of intellectual, professional and social work to make a positive contribution to public policy by leveraging proven leadership qualities, wide ranging experience and expertise as well as analytical and communication skills towards the highest level of professional excellence, efficiency, productivity and effectiveness in the widest interest of humanity.

Dr. Manmohan Singh commented in 2005 :

“Like the life of Dr. B R Ambedkar, or indeed the life of our beloved former president, the Late Dr. K.R. Narayanan, the life story of Dr Jadhav is also a story of change, of great courage, of progress, of hope..... I urge all political leaders and social reformers to read both the autobiography of Dr. Jadhav and his treatise on ‘Re-Emerging India’. We must draw the correct lessons from both. Narendra’s autobiography must shape our social and political vision. It must shape our educational policy. His book on the Indian economy must shape our thinking on economic policy.”

Extracts from the speech by the Honourable Prime Minister of India, Dr. Manmohan Singh.

(<http://pmindia.nic.in/lspeech.asp?id=227>)

ACHIEVEMENT HIGHLIGHTS

From a modest start as a Dalit (former 'Untouchable') boy reared in the Mumbai slums broke various glass ceilings in the upper echelons of the financial, academic and literary communities in the national as well as international arena through single minded dedication to excel using own intelligence, perseverance, leadership qualities, unconventional thinking and communication skills.

EDUCATION

Ph.D. Economics, Indiana University, USA; 1986. Awarded degree with a record **Grade Point Average (GPA): 3.93 out of 4.00.** Received Award for **Outstanding Contribution to Economic Theory** for the Ph.D. dissertation in 1986, and was honored with the **Best International Student Award** by Indiana University, USA in 1983. Selected as the **National Scholar in Economics (1981-86)** by the Ministry of Education and Culture, Government of India.

MA (Economics), University of Bombay, 1975. Awarded degree with **First Class**; specialisation in **Mathematical Economics and Econometrics.**

B.Sc (Statistics & Economics), University of Bombay, 1973. Passed in **First Class with Distinction.** Specialization in **Statistics & Economics.**

PROFESSIONAL PROFILE

(a) Member, Planning Commission

June 2009 – to date

Dr. Narendra Jadhav is currently serving as a **Member, Planning Commission** (in the rank and status of **Union Minister of State**). He took over this responsibility on June 16, 2009 and was sworn in by the Prime Minister on July 27, 2009. Planning Commission is India's apex policy-oriented Think Tank chaired by the Prime Minister Dr. Manmohan Singh with Shri Montek Singh Ahluwalia as the Deputy Chairman. As Member, Planning Commission, Dr. Jadhav's sectoral responsibilities include Education, Labour-Employment-Skill Development, Sports & Youth Affairs, and Social Justice and Empowerment. In addition, Dr. Jadhav looks

after the States of Bihar, Tamil Nadu, and Goa, besides the Union Territories of Diu-Daman and Dadra-Nagar Haveli.

Dr. Narendra Jadhav has also been appointed as a **Member, National Advisory Council (NAC)**, chaired by Smt. Sonia Gandhi, with effect from May 31, 2010.

In October 2010, Dr. Jadhav was appointed by the Government of India as the Chairman, Special Task Force for Assessing Development Needs of the Ladakh Region of the State of Jammu and Kashmir.

(b) Educationist, Academician and Administrator

Vice Chancellor, University of Pune. (August 2006 – June 2009)

Dr. Narendra Jadhav served as the **Vice Chancellor** of the University of Pune, which is a premier institution of higher education in India and **the largest traditional University in the world** with 6,50,000 students, 536 affiliated Graduate Colleges and 330 Recognized Institutes.

After taking over as the Vice Chancellor, in August 2006, Dr. Jadhav placed two principal objectives before himself: one, to place the University of Pune on the global map as a Center of Excellence, and second, to bring the University out of its splendid isolation and make it directly responsive to the ever changing societal needs. Accordingly, Dr. Jadhav took several far reaching initiatives aimed at improving the **access** (e.g. through “Education Guarantee Scheme” for the underprivileged youth) and **quality** of higher education, (e.g. through a complete revision of all 484 curricula with involvement of relevant industry), and promoting the research environment, (e.g. through innovative financial incentives).

Dr. Jadhav followed a dynamic marketing strategy so as to place the University of Pune on the Global Map. Presently there are more than 14,000 foreign students from 102 countries studying at the University of Pune. A Campus of the University of Pune has been set up in United Arab Emirates (UAE) in 2009. Vice-Chancellor Dr. Jadhav visited Austria, China, France, Germany, Japan, South Korea, South Africa, Sweden, UAE and USA during his tenure of 33 months. Several collaborative arrangements with the globally reputed educational institutions have been established and effort was made to widen their geographical spread and functional scope. Not surprisingly, University of Pune emerged as **the most favoured destination for foreign students coming to India**. More than 40 per cent of the foreign students coming to India enroll in the University of Pune alone!

Social Initiatives

As a flagship program of the University, an ambitious “**movement**” styled, ‘**Samarth Bharat Abhiyan**’- a **comprehensive rural development program**, was launched for directing the youth power towards constructive social engagement in the rural areas. Under the *Abhiyan*, all colleges **adopted one village each** in their vicinity for all-round socio-economic development. In all, around **500 villages were adopted**. A 15 Point Program was drawn which covered, *inter alia* primary education, tree plantation, water management, sanitation facilities, communal harmony and the like. This movement involved more than half a million students and teachers, and senior citizen volunteers working throughout the year in the chosen village with the locals and the government machinery, NGOs active in the relevant field, and endeavouring to bring about a complete transformation. The results were most encouraging (e.g. more than 7,00,000 saplings planted and 190 villages made *Nirmal Grams*).

A unique and innovative **Soft-Skills Program for Personality Development** of the students was also initiated by Dr. Jadhav, wherein students from rural areas, socially disadvantaged groups and economically poor strata of the society were chosen for an intensive fifteen-days training program and outside experts were invited to impart training in Conversational English, Techniques of Interview and Group Discussion and Overall Personality Development. Personality Development Centres have been established in 200 colleges.

Another path-breaking decision taken by Dr. Jadhav as the Vice Chancellor was to provide scholarships of Rs. One crore (US\$2,00,000) to the girl students at the Under-Graduate and Post-Graduate levels. Under the Scheme, scholarships of Rs. 5000/- each were awarded to 2000 girl students per year. A special feature of this Scheme was that 30 per cent of the total amount was specially reserved for **daughters of Devadasis, Prostitutes and women affected with HIV**.

Yet another socially relevant unique program initiated was **Senior Citizen Centre**. The Center catered to the felt needs of the large and growing body of Senior Citizens. The Center engages Senior Citizens in five different activities: One-day workshops on health and personal financial management; Three months Certificate Programs of their choice (e.g. Indian History, Culture, Philosophy, Religion and the like); a **special Ph.D. Program for senior citizens** with relaxed entry norms; Teaching public at large under Adult and Continuing Education Program, and Working as volunteers in the *Samarth Bharat Abhiyan*.

Dr. Jadhav also launched an ambitious **Triple Connectivity Program**, connecting the Main Campus with all affiliating colleges and an Information Technology enabled Services (ITES) program in collaboration with CISCO and several vocational courses for Entrepreneurial and Technician Development, especially for **high school drop-outs**. In the

wake of the terrorist attack on Mumbai, Dr. Jadhav initiated the process of establishing **Centre for Internal Security** aimed at creating a Think Tank, training all college students in **Disaster Management** and creating awareness among the public at large. Most of these innovative schemes were appreciated by the Government and are being adopted by all other State Universities in Maharashtra.

(c) Economic Policy Maker and Administrator

For 31 years, Dr Jadhav worked with the Indian Central Bank (i.e. Reserve Bank of India) and other Central Banks (i.e. Da Afghanistan Bank and National Bank of Ethiopia) besides working for 4 ½ years in advisory capacity in the International Monetary Fund (IMF). Dr. Jadhav took voluntary retirement from RBI in October 2008 from the position of **Principal Advisor and Chief Economist** in the rank of **Executive Director**.

February 2006 -- August 2006

Chief Economic Counsellor Government of Da Afghanistan Bank, Kabul, Afghanistan
Worked in Kabul, Afghanistan leading the nation building efforts currently underway in that country.

September 2004 – February 2006

Principal Adviser and Chief Economist (in the rank of Executive Director) Reserve Bank of India.

August 2003 -- September 2004: Principal Adviser, Department of Economic Analysis and Policy, Reserve Bank of India.

March 2002 -- July 2003; December 1996 -- December 1997: Officer-in-Charge, Department of Economic Analysis and Policy, Reserve Bank of India.

September 1993 -- December 1996: Reserve Bank of India, Department of Economic Analysis and Policy (DEAP) Director and Adviser for various Divisions in DEAP

October 1992 -- September 1993: Reserve Bank of India Secretary to the Central Board of Directors Coordinated various activities relating to the functioning of the Central Board of Directors of the Reserve Bank of India.

October 1977 -- October 1992: Reserve Bank of India, Department of Economic Analysis and Policy (DEAP). Joined as Research Officer and held various positions including Deputy Director and Press Relations Officer (PRO), October 1991-June 1992.

September 1974 -- September 1977: State Bank of India Officer GR. I. Gained first-hand experience of commercial banking in rural areas.

(d) Academician and Best Selling Author

Dr. Jadhav has written (or edited) 14 books on economic and social issues including four in Marathi. His latest contributions are two books in Marathi on Ravindranath Tagore – one is an anthology of Gurudev's poems translated into Marathi and the other one (being released) is on Gurudev's life and times.

Dr Jadhav shot to fame with his biographical novel written in both Marathi and English - a runaway best seller with combined sales exceeding 5,00,000 copies, which has also been translated into 17 languages (French, Spanish, Korean, Thai ,as well as in most major Indian languages. The book has received several awards including the coveted **Sahitya Academy Award** for its Punjabi Version. The book is being translated into Japanese, Chinese, and several European languages).

In addition, Dr. Jadhav has authored around 30 major official reports, over 100 research papers/articles besides serving on a number of committees. He has also delivered a series of Memorial Lectures/Key Note Addresses in national and international fora.

Publications

The Chief Minister of the Maharashtra had appointed a One Man Committee under the **Chairmanship** of Dr. Narendra Jadhav to reevaluate the lacunae in implementation of the relief packages of the Government of Maharashtra and the Central Government in the context of the "Farmers Suicides" in Maharashtra. Dr. Narendra Jadhav submitted the Report titled, '**Farmers Suicide and Debt Waiver: An Action Plan for Agricultural Development of Maharashtra**', to the Government of Maharashtra. Dr. Jadhav had the privilege of presenting the Report to the Council of Ministers (Government of Maharashtra) in a special session held on August, 2008, and again in December, 2008. The Report has been accepted by the Government and is being implemented.
